RE: PHILIP MORRIS INCORPORATED  
- Australian Patent Application No. 80700/82.

Dear Sirs,

We have now received an official report upon this application and we enclose that report for your information.

Our comments on the objections raised are as follows:-

1. The declaration is in our file and will be forwarded with our response.
2. Your comments are requested.
3. Claims 13 to 15 are basically composition claims but could be amended by inserting "the step of" after "includes" (claims 13 and 14, line 3) and amending "which comprises" (claim 15, line 2) to ", said method including the step of".
4. Your comments are requested.
5. Please advise whether claim 30 is correct or whether the third structure on page 28 is correct.
6. We will insert "and the other is alkyl" after "group" (first occurrence, claim 6, line 3).
7. We can insert the relevant description relating to claims 3 and 4 on page 6.
- 8 & 9. Your comments are requested. Further examples may be added if known.
10. We will attend to this formal matter.

We shall be pleased to receive your early instructions for reply.

Please note that this application is due for acceptance by 26th February, 1986. If it is not accepted by that date the time for acceptance may be extended on a monthly basis to 26th November, 1986 upon application and payment of fees. If not accepted by 26th November, 1986 the application will irretrievably lapse. No action will be undertaken as regards prosecution of this application without your specific written instructions. Accordingly, we await receipt of your instructions.

Our debit note<sup>✓</sup> is enclosed.

Yours faithfully,  
CALLINAN AND ASSOCIATES.
